

# Delivery Information

We will aim to deliver your products in as short a time as possible. Our sales team will make contact with you directly to confirm your order and shipping. Due to the bulky nature of the product it may take longer than anticipated to deliver your product during busy periods

In some instances it may be possible to collect your order from one of our depots. Please contact us on 053 9236348 to make a request for click and collect.
